Galantos Pharma

ASPIRAS has since summer supported [Galantos Pharma GmbH](#), Mainz in the preclinical phase of development. Galantos Pharma is a sister of Galantos Genetic GmbH and develops better tolerated and targeted products against the spreading Alzheimer’s disease based on the natural substance Galantamin. ASPIRAS is planning project activities step by step according to the Notice to Applicants and also recommends contract organisations for performing experiments.

ASPIRAS-Live!

The members of ASPIRAS–Live! will benefit from our very special offer. As already announced we keep developing this domain and we are glad to be able to convey “Real Live!” - impressions to you through our new slide show.

Watch who we are, how and where we work for you!

Entry for members: [Please click here!](#)

You are not yet a member of ASPIRAS-Live! ? Then it’s high time for this free

service! Live! offers diverse interesting topics around ASPIRAS and its specialist fields Pharma and Biotech.

Become a member today: [Please click here!](#)

Medovent

ASPIRAS could win the company "[Medovent](#)" as a special customer. This young and highly innovative company has started development for the market of medical applications, in particular in the field of novel urological catheters and hernial nets.

ASPIRAS was successfully involved in Medovent's setting up business and could win the "[HighTech Gründerfonds](#)" and the "[Investitions- und Strukturbank Rheinland-Pfalz](#)" as investors for the start-up company. Cathrin Pauly, manager of ASPIRAS, will continue coaching Medovent in the following months until the company has reached the next phase of growth.

Letter of excellence

Our commitment with the "Innovations- und Gründerzentrum" in Sinzig has been completed very successfully. We reported in detail in [former newsletters](#). We obtained a "[letter of excellence](#)" for our work from Landrat Dr. Pföhler and the mayor of Sinzig Mr. Kroeger. This letter is currently available on our website at

Up to date

A workshop from the [DGRA \(Deutsche Gesellschaft für Regulatory Affairs\)](#) was held on the August 30 and 31 in Bonn. ASPIRAS presented information on its services. Our co-workers took the advantage of bringing their knowledge up-to-date in topics like pharma law, quality control, drug licensing and efficiency on both days of the meeting.

Good to know

Did you know that ASPIRAS not only holds a .de domain but also a .com domain? ASPIRAS is not only active in the German speaking area but also consults customers from other parts of the world.

Take a break!

Allow yourself a time off and take a creative break. For this purpose we're

providing a wise saying which is accompanied by a seasonally adequate photograph and relaxing music.

[Click here to take a take a short break!](#)

Challenge ASPIRAS

Just contact us without obligation and discuss your topics and your list of questions. Based on a sound analysis, ASPIRAS offers you a coarse concept including a cost estimation. After consultation with the client ASPIRAS provides the following services: project target identification, project planning regarding time, capacity, cost and manpower, project implementation and control and project documentation. ASPIRAS provides the project results effectively and in due time. Please contact [Cathrin Pauly](#).

Cancel the newsletter?

You wish to cancel the order for ASPIRAS-newsletters coming out four times a year? Send an empty mail with the subject "cancel the newsletter" to pauly@aspiras.de. We immediately take you from the recipients list.

We would of course appreciate to hear about the reason for the cancellation.
